

	Compliance to Technical Specification TPT_TS_SL_DECS	Tender schedule: T2.2-13
--	---	--------------------------

Tenderers are to complete the attached schedule indicating their compliance to each clause of the Technical Specification together with comments regarding their compliance or non-compliance. Note that this schedule is cross-referenced and must be read in conjunction with the Technical Specification TPT_TS_SL_DESC. Elements of this document not completed will be deemed as the Tenderer not complying. The Tenderer's sign-off at the bottom is deemed confirmation that this document has read in conjunction with the Technical Specification.
